Travel and Expense Policy

1. Booking Travel

All flights and hotels must be booked through the TravelDesk portal at least 14 days before departure. Economy class is required for flights shorter than 6 hours. Business class is allowed for flights of more than 6 hours with written approval from a Vice President.

Employees should choose the lowest logical fare. Rail is preferred over flying for trips under 4 hours.

2. Hotel Limits

Nightly hotel limits depend on the city tier. The limits include taxes but exclude breakfast.

City tier	Example cities	Nightly limit (USD)
Tier 1	New York, London, Singapore	250
Tier 2	Berlin, Toronto, Sydney	180
Tier 3	All other cities	120
